

# KEEP KIDS PLAYING ALL YEAR

June 16, 2021

Re: Great Falls Outlaws, Inc. – A 501(c)3 non-profit organization

Dear Name:

This letter is to seek your help in keeping our kids playing and being active all year round. It is no secret that it is hard to keep our community's kids active, especially with our unpredictable weather and long winters. The Great Falls Outlaws, Inc., a non-profit organization, has worked diligently with our community partners to secure equipment and indoor space so that our players can enjoy the benefits of practicing baseball year-round. We want to keep the good going and are seeking sponsors to secure our space, and are asking for a one-month sponsorship of \$1,200.00.

This will provide a safe space for our players to continue to work on our core mission of the development of youth athletes' personal growth through the sport of baseball with an emphasis on development of skills, respect, self-confidence, teamwork, leadership through service and sportsmanship. Many of our players will otherwise not have the ability to stay active throughout the year, and we greatly appreciate any help you could provide to our organization.

In return for sponsorship, we will promote you on our team banners as well as on Facebook.

If you have any questions or want to discuss other opportunities to help out our amazing players, please contact Will Garten at \_\_\_\_\_.

With Sincere thanks,

Great Falls Outlaws, Inc.
